

Workplace Health and Safety Policy

All Trades Queensland is committed to protecting the health and safety of all its employees while they are at work. All Trades Queensland is committed to:

- Complying with all applicable health and safety laws, regulations and standards
- Take all reasonable measures to protect persons from risk to their health and safety arising from the activities of All Trades Queensland
- Eliminate or minimize all hazards to health and safety in the workplace
- Provide training, instruction to improve employee's understanding of workplace hazards, including safe work practices and injury management procedures
- Ensure all employees are aware of the health and safety risk they face and the actions they should take to mitigate those risks
- Providing employees with personal protective equipment and clothing which conforms with relevant codes and Australian Standards
- Establishing clear targets and objectives on an annual basis to improve health and safety in the workplace
- Encouraging active participating, consultation and cooperation of all employees and visitors in promoting and developing measures to improve health and safety at work
- Actively responding to and investigating all incidents
- To proactively manage injuries by effective workers compensation claims management and ensuring injured employees are returned to suitable work at the earliest possible opportunity

We believe:

- All employees and managers have a responsibility to work safely, to take all reasonable care for their own health and safety, and to consider the health and safety of other people who may be affected by their actions
- Every employee has the right to go home in the same condition they arrived at work in
